Wall It 150/320g │ Self-adhesive non-woven coated wallpaper

Features:

Wall It is a self-adhesive wallpaper for high resolution printing with solvent, eco-solvent, mild-solvent, UV and latex inks. WALL IT product is made out of a water-based adhesive that does not polymersie on latex or solvent based paints and coatings but can polymerise on more porous surfaces/ paints. It is tear-resistant and prepasted with a special glue and may therefore be easily bonded and stripped without any stains being left. A matt non-reflective surface makes for top quality colour reproduction.

Applications:
• Wallpaper
• POS advertising and information
• Large format communication

Benefits:

• Leaves no glue residue when stripped
• Roll to roll applications
• Non-reflective matt finish
• Excellent paper stability
• Fast drying paper
• High resolution prints
• Ink-efficient
• Water resistant
• HP Latex Certified
• To be used with solvent, eco-solvent, mild-solvent, UV and latex inks

Certified for
HP Latex Inks

Printing recommendations:
• Printing mode: Bi-directional
• Resolution: 720 x 1080 dpi
• Ink coverage: 120 - 180%
• 6-12 pass
• Printing speed: 10-12 m²/h
• Drying temperature: 45- 40 - 45 °
